

I MATTER 2022

Feb. 27 | 10AM | Zoom

FREE EVENT Empowering Teen Girls to Build Safe, Healthy & Violence-Free Dating Relationships

Keynote Interview with Dr. Elaine Richardson ("Dr. E"), professor, musician, author, advocate and survivor

Girls in grades 6-12 will learn the skills to build healthy dating relationships and get the info they need to stay safe

Girl moms and female mentors will acquire tools and strategies necessary to support the girls they care about

Both girls and adults will gain access to support and resources, inspiration, and connection
